Improve the Looks of Your Building!

The Downtown Shreveport Development Corporation (DSDC) is dedicated to making our center city “the” place to live, work and enjoy!

One of the ways we would like to help is with our **Façade Improvement Grant Program.**

Program Rules

- Your completed application must be submitted and approved before work begins
- The owner of the building must approve in writing any work to be done.
- The completed application and other documentation should be sent to the DSDC offices at: 401 Edwards Street, Suite 205, Shreveport, Louisiana, 71101

Application Requirements

- Building must be located in the Downtown Development District.
- Two 8x10 color “before” photographs must be submitted with the application. Color photocopies are acceptable.
- Two color copies of the design sketch of the proposed improvements and contractor provided cost estimates must be submitted with the application.
- Architectural design must be performed by a licensed architect.
- The Façade Improvement Rebate Program Committee must approve the proposed design **before** any work begins.
- Applicant must submit paid receipts for all work associated with the project and two 8x10 color “after” photographs of the completed project.
- DSDC will issue a rebate match of 5-25% of façade’s total cost.

Eligible Improvements Include:

- Patching & painting of façade walls
- Railings, ironwork repair or addition
- Cornice repair/replacement
- Window & door replacement, repair
- Special consideration is given to work with the highest visual impact!

Special Note

The Louisiana Historic Preservation Office should approve the proposed design for any property listed on the National Register of Historic Places. Contact them at:

State of Louisiana Office of Cultural Development
Division of Historic Preservation
